Revised 1/11/2022

Milwaukie City Council, 1905

Four months after the state legislature incorporated the Town of Milwaukie, the first Council meeting was held on June 2, 1903. Since then, the Mayor and four Councilors, who are elected to at-large positions for four-year terms, have set policy for all municipal activities. Since 1945 Milwaukie has had a Council-Manager form of government, with the Council-appointed city manager administering city policies.

The Mayor, or in the Mayor's absence the Council President, presides over Council meetings which are conducted in accordance with *Robert's Rules of Order, Newly Revised Edition*. There are three types of Council meetings:

Work Sessions are held on the first and third Tuesdays of each month in the City Hall Council Chambers and Zoom at 4 p.m.

Regular Sessions are held on the first and third Tuesdays of each month in the City Hall Council Chambers and Zoom at 6 p.m.

Study Sessions are held on the second Tuesday of each month at 5:15 p.m. on Zoom and occasionally at a city facility.

The Agenda

Council considers the items that are published on the agenda. To propose an agenda item for Council to consider, please contact the Office the City Recorder at least 11 days before a meeting. Note: members of the public may discuss any topic related to city business during the Community Comments part of regular session meetings.

Agendas are published a week before the meeting online at www.milwaukieoregon.gov/meetings. To receive agenda email alerts, visit www.milwaukieoregon.gov/newsletter/subscriptions. Printed agendas are available at City Hall, the Ledding Library, and the Johnson Creek Building. Submit agenda items or questions to:

Speaking at Council Meetings

The City of Milwaukie welcomes and encourages all citizens to express their views to their city leaders in a respectful and appropriate manner. If you wish to speak during a regular session, complete and hand to the city recorder a speaker registration card on the table outside the Council Chambers, or to submit a card via email, visit www.milwaukieoregon.gov/cityrecorder/public-meetings.

There are three opportunities during a regular session meeting for the public to speak before Council:

Agenda Item #5 Community Comments: to speak on topics not on the agenda. The Mayor will ask for oral requests and communications from the audience. Be aware that final Council action on your request, at this meeting, is unlikely because the necessary ordinance, resolution, or background information will not have been prepared. It is the Council's wish that matters not on the agenda first be pursued with the responsible city department. The city manager will report at the following regular session about any action that has been taken on items introduced during Community Comments.

Agenda Item #7 Business Items: to speak on a scheduled business topic. After a city staff person or other presenter gives their report, the Mayor will ask for any public comments if any speaker registration cards have been submitted for the topic. Any correspondence regarding a business agenda item must be submitted by 3 p.m. the day of the Council meeting.

Agenda Item #8 Public Hearing (if scheduled): to speak on a scheduled hearing topic. The Mayor will identify the subject and announce the opening of the hearing. The Mayor will ask for those in favor of the proposal to speak, those opposed, and for any other comments. The Mayor will announce when the hearing is closed, and there will be no further testimony. Any correspondence regarding a public hearing must be submitted by 3 p.m. the day of the Council meeting. Any correspondence submitted after that time may not be available for consideration by Council.

When Called to Speak:

- Come forward to the testimony table
- Speak clearly into the microphone
- Begin by stating **your name** and **city of residence**
- Then briefly state your views
- Be aware that Council may want to ask you questions
